

The Fleetguard LF14009NN

Trusted OEM Filtration for Cummins® QSL9 Stage V Engines

Genuine upgrade from LF9009 to the LF14009NN for your ISL9/L9

Money-Saving Technology

The unique design of the Fleetguard LF14009NN delivers powerful benefits that positively impact your bottom line:

- **Greater Fuel Efficiency**
- **Increased Engine Protection**
- **Capable of 1000 hour service intervals for QSL9 Stage V engines**

How it works

Our 2-in-1 filter media reduces flow restriction without sacrificing performance, enabling the most fuel savings of any lube filter on the market.

2) NanoNet® Media

Removes smaller, fine particles to prevent long-term engine wear.

1) StrataPore® Media

Removes larger particles upon engine start-up for immediate protection.

**Saved Over
\$1 Million
in Fuel Costs**

The LF14009NN is optimized to provide the best fuel economy of any filter on the market, saving our customers over

**0.3 MILLION GALLONS
OF FUEL AND COUNTING.***

*Based on current Fleetguard market share

**Eliminated Over
8 Metric Tons
of CO₂**

Genuine OEM Protection

Trust the only filter engineered and validated by Cummins to meet their stringent engine test requirements.

Nothing Guards Like Fleetguard!

Backed by the Best Warranty

Unlike our competitors who offer pro-rated coverage, our full warranty protection extends from the point of purchase throughout the recommended service life of the product.
